About the Lance Armstrong Foundation

The LAF's mission is to enhance the quality of life for those living with, through and beyond cancer. We seek to promote the optimal physical, psychological and social recovery and care of cancer survivors and their loved ones.

Founded in 1997 by cancer survivor and champion cyclist Lance Armstrong, the Foundation focuses its activities in the following areas: survivorship education and resources, community programs, national advocacy initiatives and scientific and clinical research grants. Since its inception in 1997, the LAF has raised more than \$16 million. In that time, 82 percent of the LAF's budget expenses have been invested in cancer survivorship programs, grants and mission-related activities.

The Peloton Project is the Lance Armstrong Foundation's major grassroots fundraising and outreach project. Comprised of cyclists, cancer survivors and other volunteers who want to make a difference in the cancer community, members raise funds and awareness for the LAF in their local communities in support of our mission. The Lance Armstrong Foundation is a registered 501(c)(3) nonprofit organization located in Austin, Texas. For more information, please visit our website at www.laf.org. You may also contact us by phone 512-236-8820 or fax 512-236-8482.

Thank you for your support!
